# Notes

1. John B. Thompson was born on January 22, 1860 according to the Mauk tribal page. He is not listed in the 1860 census and his death certificate indicates he was born on June 22, 1861.
2. McClain Thompson was born in 1846 and William Thompson and Elizabeth Mauk married in 1850, therefore Elizabeth was McClain's step-mother. He is also listed in the 1860 census with Thomas and Barbara Reed.
3. James Green Mauk is listed as born on August 31, 1860 and this date is also listed on Find A Grave. However, he is listed in the 1860 census that was taken in June 1860. His age is listed as 8/12 and therefore if he was eight months old on the census date in April 1860 he would have been born in August 1859.
4. Alex Smith is not listed in the 1860 census and is presumed to have died between the time of the 1850 and 1860 censuses.
5. Martin Lingenfelter was probably born after the 1850 census and before the 1860 census since he is not listed in either.
6. The Mauk Tribal Page lists a child born to John Ulry Lingenfelter and his wife Catherine in 1857. The tribal page gives no other information about this child.
7. The tribal page also lists Mary Jane Lingenfelter as born in April 1861. I believe this is Jane or Jennie who married James B. Brown. Jane or Jennie was born in 1858 or 1859 according to most census records.
8. Elizabeth Mauk, died 1853 at the age of 7 is not listed in the 1850 census.
9. Samuel Martin Mauk, born 1848, is not listed in the 1860 census. Did he die between 1850 and 1860?
10. Thomas Reed and Barbara Mauk were married in 1852 according to her obituary but in 1855 according to the 1900 census.
11. Martha Heron, age 18, is listed as a housekeeper in the 1860 census with the Jacob & Elizabeth Mauk family.  
H. Benjamin McCann, age 23, is listed as a farm laborer with the Thomas and Mary Hopkins family.
